

MEETING

25 April 2010

PRESENT:

There were 8 present and 4 apologies.

TOPICS of DISCUSSION:

Saumarez Homestead Historic Farm Day

The EVNE Stand at Saumarez was moderately successful. It was well supported by our members. However, since the Farm Day had a "historic" theme, the visitors were more interested in the farming displays than in electric vehicles.

Armidale Autumn Festival

It was noted that the Autumn Festival, with its more general focus, was also more successful for EVNE. The stand was manned by Robert, Ian, Christie, and Kel.

Eco-Smart Building Expo, Tamworth

EVNE will have a stand at the Eco-Smart Building Expo in Tamworth the 8th and 9th of May.

NEXT MEETING:

The next meeting of EVNE will be Sunday 20 June, 3pm, at 291 Beardy Street, Armidale.
